Hi, I'm Nguyen Huu Thang.

Working in the IT field is my desire. Fortunately, I was worked for approximately 2 years on an Accounting and ERP company helps digital transformation for businesses since I had already graduated from university. That is a great time for me to approach and learning more both knowledge and soft skills. I believe with my knowledge and skills base on IT and economics, also with the passion and serious attitude on working will help me get rapid high level in the coming years.
